S-MAX Vignale
with Blue Panther metallic body colour (no cost option) and 19" 10-spoke polished aluminium-finish alloy wheels (standard).

S-MAX ST-Line
with Magnetic metallic body colour (option), 19" 5-spoke Rock Metallic painted alloy wheels (option) and ST-Line Lux Pack (option).

VISIONARY. INGENIOUS. REMARKABLE. EVERY CAR BEARS HIS SIGNATURE.
Empower your life

New horizons. Familiar journeys. Surprising detours. Wherever life takes you, travel in comfort and arrive in style with Ford S-MAX. Stunning design blends with sophisticated technology and a dynamic driving experience to bring pleasure to every journey.

S-MAX ST-Line with 18” alloy wheels (standard), Moondust Silver metallic body colour (option) and ST-Line Lux Pack (option).
You’re not one for compromise. So when you need a car that can carry up to seven* people that is spacious and comfortable, yet is still a great-looking vehicle, there’s only one choice to make. The Ford S-MAX has room for everything, except compromise. So get out there and enjoy life to the fullest.

No compromise

You’re not one for compromise. So when you need a car that can carry up to seven* people that is spacious and comfortable, yet is still a great-looking vehicle, there’s only one choice to make. The Ford S-MAX has room for everything, except compromise. So get out there and enjoy life to the fullest.

*S-MAX Vignale shown in Magnetic metallic body colour with premium perforated leather in Ebony seat trim.

*S-MAX Vignale shown in Magnetic metallic body colour with premium perforated leather in Ebony seat trim.
The Ford S-MAX Vignale radiates with refinement, combining the finest traditions of craftsmanship and a host of forward-thinking technologies. Exclusively sourced Ford Vignale leather offers a natural, glove-soft touch for an extra-sumptuous feel across the facia, door inserts, and elegantly quilted seats.

Refinement redefined

S-MAX Vignale with 19” 10-spoke alloy wheels (standard) and Blue Panther metallic body colour (no cost option).
Enjoy the beauty of the outdoors from the comfort of your Ford S-MAX. A full-length glass panorama roof lets the sun shine in, while a solar reflect coating and powered sunblind provide shade and privacy when required. The feeling of comfort offered by the panorama roof is further extended by the addition of an infrared front windshield and rear manual sunblinds (option).
SYNC 3 features
■ Manage your phone, music, apps and navigation with simple voice commands
■ Hear your text messages read aloud for you
■ Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone through the SYNC 3 home screen, as if it were your handset
■ Colour touchscreen supports multi-touch ‘swipe’ and ‘pinch-to-zoom’ gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone
■ Meet your phone’s new best friend

Meet your phone’s new best friend
Ford SYNC 3 integrates seamlessly with your compatible smartphone, letting you control everything from phone calls and text messaging to music and satellite navigation – all via the 8” touchscreen or through remarkably simple voice commands. Map updates help to keep you on track and on time, and are complimentary for a limited period following vehicle registration.

Ford SYNC 3

Now you and your Ford can stay seamlessly connected wherever you are. That’s because the FordPass Connect modem and the FordPass App, together, unlock a range of features designed to make every journey easier.

FordPass Connect
FordPass Connect** can help save you both time and hassle, as well as give you peace of mind. It is provided as a two-year free trial (from date of first registration). After this, subscription fees are payable.
■ Live Traffic** provides near real time traffic information and offers dynamic routing based on traffic conditions (two-year free trial)
■ Local Hazard Information** uses multiple local and national information sources to warn you of hazards in the road ahead
■ On-board Wi-Fi*** allows you to connect up to 10 devices via Wi-Fi to the built-in 4G modem with FordPass Connect (3 months free trial)
■ eCall† helps occupants place an emergency call to provide emergency services with the vehicle location in their respective language

Effortless connectivity

Access additional features via your smartphone with the FordPass App.

■ Select points of interest along your route. FordPass will send these locations to your SYNC 3 Navigation when you connect through AppLink
■ Search for refuelling points by brand or fuel grade, and compare pricing
■ Search available parking spaces, check costs, opening hours and ratings
■ Find where you parked your car and be guided back with built-in maps
■ Get service reminders and book your service direct from the app
■ Get access to exclusive customer offers

FordPass Connect becomes even more powerful when paired with your smartphone via the FordPass App, allowing you to access a host of features.
■ Remote lock and unlock your vehicle from anywhere via the app
■ Use remote start to pre-condition your vehicle to its preset temperature (automatic transmission only)
■ Check your vehicle’s fuel level, oil health and tyre pressures straight from your phone
■ Get service reminders and book your service direct from the app
■ Find where you parked your car and be guided back with built-in maps
■ Receive Vehicle Health Alerts directly to your phone
■ Get access to exclusive customer offers

†Ford eCall is an innovative feature that helps vehicle occupants initiate a call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions. Coverage and service is not available everywhere and terms of your data plan, including applicable message and data rates, may apply.
**Access is complimentary for the first 2 years following the registration of a new Ford featuring SYNC 3 with navigation; thereafter a licence fee is payable.
***Wi-Fi hotspot (up to 4G LTE) includes a complimentary wireless data trial that begins when customers activate the trial with Vodafone, and expires at the end of 3 months or when 3GB of data is used, whichever comes first. Afterwards data bundles can be purchased from Vodafone, refer to their website for details of their data packages. To take advantage of the built-in Wi-Fi hotspot capability, a 2019 Ford vehicle must come with the appropriate hardware, and a data plan is required. Data services are subject to change. Data services are provided by third parties (B追求) and Vodafone (UK) Limited (Vodafone) and are provided on a best-efforts basis.

Please note: Full SYNC 3 smartphone integration is only available with iPhone 5 (or later) or Android 5.0 (Lollipop) or higher. Some SYNC 3 features require a data connection, so mobile data charges will apply. To check whether your smartphone is compatible with SYNC 3, please visit Ford.com/DeviceSupport and AndroidAuto.com websites for the latest information.
Always in control

Technology making your life easier

01 Adaptive Lighting with Dynamic LED headlights detects different road conditions and selects the appropriate beam pattern. Dynamic curve lights throw the beam inside the curve to let you see further and sooner. The headlights incorporate daytime running lights, with three LED strips that also function as turn indicators, flashing sequentially towards the direction of turn (part of optional Titanium and ST-Line Lux Packs, standard on Vignale).

02 Glare-free high beam lets you drive on high beam without dazzling other road users. Sensors identify traffic ahead of your car and adjust the high beam pattern to help protect other road users from glare, while illuminating the remainder of the road for greater visibility (part of optional Titanium and ST-Line Lux Packs, standard on Vignale).

03 Adaptive Cruise Control with Stop & Go* maintains a comfortable distance from the vehicle ahead, and can even bring your car to a complete stop and move off again as the traffic allows (part of optional Driver Assistance Pack).

*Stop & Go is only available with automatic transmissions.
Ford S-MAX is available with a wealth of innovative optional technologies to help make every drive easier.

01 Active Park Assist® can help you to parallel park or perpendicular park. Once activated, the enhanced system can help you to locate a suitable space as you drive past and will automatically guide you in, while you operate the pedals (following on-screen and audible signals). Park-Out Assist can help you manoeuvre out of a parallel parking space in a similar way (part of optional Driver Assistance Pack).

02 Front wide-view camera provides an extensive view from the very front of your car to the left- and right-hand sides. Particularly useful at junctions and when driving forward out of parking spaces where your side view is impaired (part of optional Driver Assistance Pack).

03 Intelligent All-Wheel Drive continually monitors where power is needed, and can automatically apply the required torque to each wheel for added confidence, whatever the road conditions (only available with 2.0L EcoBlue 190PS).

*See sensors.

S-MAX Titanium shown with Salerno Leather in Ebony trim (part of optional Titanium Lux Pack).
01 Hands-free tailgate makes opening or closing S-MAX’s tailgate easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the tailgate will operate without you having to touch a thing (part of optional Titanium and ST-Line Lux Packs).

02 Pre-Collision Assist with pedestrian and cyclist detection uses radar and a camera to keep a watchful eye on the road ahead for cars, cyclists, and pedestrians. The system is designed to alert you to a potential collision and, if you fail to respond, can automatically apply the brakes to help avoid or reduce the effect of any impact (standard).

03 Ergonomic seats with AGR certification help support your back. These ergonomically designed, 18-way manually-adjustable front seats with AGR accreditation are ideal for longer journeys (option).

04 Blind Spot Information System with Cross Traffic Alert and Variable Rear Range If another vehicle – a car, van or lorry – enters your blind spot, the system is designed to alert you with a warning light built into the corresponding door mirror. The blind spot detection zone will vary up to a range of 18 metres, depending on the speed of the vehicle (part of optional Driver Assistance Pack).

05 Ford Clearview Front Wiper System improves visibility by delivering the washer fluid directly into the path of each wiper blade as it moves across the windshield (standard).

06 Traffic Sign Recognition is designed to automatically read standard format road-speed signs and display the posted speed limit in the instrument cluster (standard except Zetec).

Remarkable technologies

*Uses sensors.
†Designed to operate at speeds above 10 km/h.
€ When compared to prior models not equipped with these technologies.
With its elegant design and impressive integrated technologies, a Ford S-MAX is the perfect choice to satisfy all your driving needs.

Available in a range of uniquely individual series, it’s never been easier to choose a new Ford S-MAX. Whether you prefer the comfort of a Luxury vehicle, or the fun-loving dynamics of Sport, there is a new Ford S-MAX to suit you. To make your purchase choice even more rewarding, we’ve elevated the standard of features across all series. So now, whichever S-MAX route you decide to take, you can be sure of a higher level of standard features, as well as a host of add-on features available as part of an option pack.

*Ford SYNC 3 Sony DAB Navigation System

---

*Ford SYNC 3 DAB Navigation System*
Boot Liner
Durable tray-style liner, designed to keep the load compartment clean and tidy, ideal for transporting wet or dirty items (Accessory).

Roof spoiler
Engineered specifically for the Ford S-MAX, the roof spoiler gives your model a sportier profile and enhanced aerodynamics (Option and Accessory).

Tow bars
Retractable tow bar can be folded out of sight behind the rear bumper when not in use, retaining the model’s sleek looks (Option and Accessory*). Also available is a detachable tow bar (Option and Accessory*) and a fixed tow bar (Accessory).

Load floor net
Elasticated net attaches to tie-down hooks in the load compartment. Helps to secure smaller items and belongings (Accessory).

Load retention systems
Robust retention systems meeting European ISO27955 safety requirements keep items of luggage safely in the load compartment. A net can be ordered for fitment behind the second row of seats, while a guard is available for fitment behind either first or second row (Option and Accessory*). Not available in conjunction with optional tri-zone Electronic Automatic Temperature Control or panorama roof.

Load compartment protection
A durable tray style boot liner with Ford S-MAX logo is available, ideal for transporting wet or dirty items (accessory only), as well as a reversible load compartment mat (that can be extended over the rear seats, together with fold-out bumper protection) and carpet with Ford S-MAX logo on one side and a durable rubber surface on the reverse side (Accessory).

Rubber floor mats
The tray-style all-weather rubberised floor mats with the Ford S-MAX nameplate are tailor-made and help to protect against dirt and damp. The driver’s mat is securely fixed directly onto the vehicle’s floor to help prevent it from slipping (Accessory).

Mud flaps
Contoured mud flaps help to protect the bodywork of your Ford S-MAX from stone chips and road spray. Available for front and rear (Accessory).

- 6-seat mode (5-seater): 585
- 2-seat mode (5-seater): 505

Fuel tank capacity (Liters):
- Petrol: 70
- Diesel: 72

Fuel, performance and emissions

The test used to establish fuel consumption and CO2 figures has changed to deliver results that are more representative of real-life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old (ESC) test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until some time after 2019, the fuel consumption figures on vehicle registration documents and in published material may be the old (ESC) figures. For comparison purposes, the old (ESC) figures are included here and this will be used to calculate vehicle Excise Tax. For the figures to be fully representative of real-life driving, the new WLTP test procedure is recommended. The table below shows the fuel consumption (WLTP) figures for each available engine on the Ford S-MAX. These figures may not reflect real (driving results, which will depend upon a number of factors including the accessories fitted, variations in service driving styles and vehicle load). The figures shown are for comparability purposes only.

*Ford Emergency Response is an innovative SYNC feature that uses a Bluetooth® paired and connected mobile phone to help vehicles occupants indicate a dire call to the local Communications Center. Following a vehicle crash event involving an airbag deployment or fuel pump shut off, The feature operates in more than 40 European countries and regions. **FordPass Connect features and Live Traffic are complimentary for 2 years following registration of the vehicle. Otherwise, a subscription is required. Wi-Fi hotspot includes complimentary wireless data trial that begins at time of activation and expires at the end of 3 months or when 30GB of data is used, whichever comes first. Afterwards a subscription to Valdosta is required (please refer to their website for details of data packages).
Comfort and convenience

Ford Emergency Assistance is an innovative SYNC feature that uses a Bluetooth®-paired and connected mobile phone to help vehicle occupants initiate a direct call to the local Communications Centre, following a vehicle crash event involving an airbag deployment or fuel pump shut off. The feature operates in more than 40 European countries and regions. FordPass Connect features and Live Traffic are complimentary for 2 years following registration of the vehicle, thereafter a subscription is payable.

*Option at extra cost

Part of an option pack at extra cost

Standard
Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car.

**FORD SERVICE**

Allows you to relax knowing we’re always by your side.

With Ford, the service doesn’t end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- Ford Online Service Booking
- Comprehensive service and maintenance plans
- Use of genuine Ford parts for added peace of mind
- Ford trained technicians using the latest diagnostic equipment and tools
- One Call for everything Ford 0203 564 4444
- Ford Accident Management, service free to all drivers

Also, every Ford vehicle comes with 12 months UK & European Roadside Assistance from the date of registration. This can be extended for a further 12 months when your vehicle has a Scheduled service at a participating Ford Dealer.

For more information visit www.ford.co.uk/fordservice

---

**FORD INSURE**

Trust your car insurance to the people that know it best. Designed specifically for Ford owners, it offers value, simplicity and a range of benefits that come as standard.

- Repairs carried out by experts at a Ford Accident Repair Centre
- Guaranteed repairs for as long as you own your car
- Genuine Ford Parts and manufacturer-spec glass
- Courtesy car while your Ford is being repaired at one of our Approved Repair Centres
- Free 24 hour emergency help lines
- Named Drivers earn a Ford Insure No Claims Bonus which can be used on any Ford Insure car insurance policy
- Stereo cover for any audio/visual equipment permanently fitted by the manufacturer
- Up to 90 days cover to drive in Europe
- Extended your warranty up to 5 years/100,000 miles with Ford Protect.
- To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

So, for cover designed with your Ford in mind, please call our UK Customer Service Team on 0333 234 9976 or go online at www.fordinsure.co.uk

Terms and conditions apply.

Ford Insure contracts are arranged, administered and provided by EUI. EUI is a subsidiary of Admiral Group and is authorised and regulated by the Financial Conduct Authority. Registration number 309376. Registered in England and Wales as EUI Limited Reg. No. 2686604. Registered Address: 10 Admiral, David Street, Cardiff CF10 2EH

---

**FORD PROTECT**

Extend your warranty up to 5 years/100,000 miles with Ford Protect.

Extend your standard 3-year/60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

- High flexibility in duration and mileage
- Cover against unexpected electrical and mechanical repair costs in the UK and Europe
- With a Ford Protect Plan, the price of covered parts and labour are guaranteed for the length of your plan
- Help prolong the lifespan of your Ford vehicle
- Protects your vehicle resale value
- To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

*Ford Protect terms and conditions apply see ford.co.uk/extended-warranties for more information.
