# *Team on a mission.*

Whatever your idea of a good time, the new Ford Tourneo Courier is the perfect addition to your team. From any perspective, it makes a great impression, offering plenty of space and the greatest possible versatility. Compact on the outside, flexible on the inside, it gives you the freedom to enjoy every moment.

## *Generous space, easy access.*

Bright, airy and comfortable, the new Tourneo Courier has plenty of room for all. Wide-opening sliding rear side doors help make it easy to get in and out, especially in tight spots. While the rear seats can fold and tumble forward to accommodate an ever-changing combination of people, pets and belongings.

## Clever thinking.

New Tourneo Courier offers up to 708 litres\* of luggage space, along with a clever adjustable package tray that helps you organise your belongings. Set it high to keep your possessions from inquisitive eyes. Use it in the lower position to separate large or delicate items. Or when not in use, stow it conveniently against the rear seats. (Standard)

\*Luggage capacity measured in accordance with ISO 3832 and VDA methodology. Dimensions may vary dependent on the model and equipment fitted.

### Flexible rear seats

Comfortable rear seats provide excellent support for up to three passengers, even on longer journeys. ISOFIX child seat attachment points are located in the outer two seating positions. When not in use, the rear seat backs can fold and tumble forward for extra luggage space. (Standard)

## *Make yourself at home.*

Style is more than skin deep with the new Tourneo Courier. Inside, you'll find a warm welcome with smart and comfortable seats, a soft-feel instrument panel and plenty of storage right where you want it. While to keep you entertained and informed, you'll love the easy-to-use interface of Ford SYNC 3 (option on Zetec, standard on Titanium). Its enhanced voice recognition responds to your commands, while a 6" colour touchscreen displays phone, audio and navigation (option on Zetec, standard on Titanium) with convenient swipe and pinch-to-zoom functionality.

Model shown is a Tourneo Courier Zetec in Diffused Silver metallic body colour (option) with SYNC 3 (option).

## Ford SYNC 3

Being on the road need not be a disruption to your connectivity. New **Ford SYNC 3** integrates seamlessly with your compatible smartphone\*, letting you control everything from phone calls and text messaging, to music, navigation (option on Zetec, standard on Titanium) and your favourite mobile apps – all via the 6" touchscreen (where specified), or by using remarkably simple voice commands.

### Sync 3 Features:

- Make and receive calls hands-free
- Easy voice-guided navigation (option o Zetec, standard on Titanium)
- Listen to your own music
- Touchscreen interface (6" screen)
- Access your favourite mobile apps
- Listen to text messages

### Touchscreen

The SYNC 3 6" touchscreen supports multi-touch swipe and pinch-to-zoom gestures, and lets you arrange application icons and background displays just as you would on your tablet or smartphone. You can also switch between daytime and night modes, and tailor presets for multiple users.

Main image shows Tourneo Courier Titanium with SYNC 3 and 6" touchscreen. (Standard)

### AppLink, Apple CarPlay and Android Auto

Control SYNC-compatible apps with AppLink, while Apple CarPlay and Android Auto let you navigate your smartphone HMI through the SYNC 3 home screen, just as if it were your handset.

**\*Note** Full SYNC 3 smartphone integration only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 3 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check official Apple CarPlay and Android Auto websites for the latest information.

### MyFord Dock with My Connection Radio

MyFord Dock is designed to hold your compatible smartphone, MP3 player or navigation device. Stream your music through the car's speakers via Bluetooth® or using a USB cable connected to the My Connection Radio. The lidded compartment provides covered storage for your device and contains a charge-only USB socket. (Standard with My Connection Radio)

**Note** The Bluetooth® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

### Cruise control with Adjustable Speed Limiter

Cruise control helps take the strain out of long motorway journeys, while the Adjustable Speed Limiter lets you set a maximum speed that you do not wish to be exceeded. This can be over-ridden if required by firmly pressing the accelerator. If the speed limit is exceeded unintentionally, such as when going downhill, you will be alerted with audible and visual warnings. (Standard)

### Quickclear heated windscreen

Designed to demist the screen in seconds, even on frosty mornings. Includes heated washer jets. (Standard)

### Front and rear parking distance sensors

With the Tourneo Courier, you won't have to pass by those more challenging parking spaces. An audible warning helps you judge the distance between your car and obstacles at the front and back, for easier parking and manoeuvring. (Option)

### SYNC 3 with 4" colour screen

Helps to keep you entertained and in-touch while you drive. Features include AM/FM and optional DAB audio, plus AppLink for control of compatible apps, all accessed via simple rotary buttons located beneath the screen. In addition, Bluetooth® connectivity lets you make and receive hands-free calls. (Option; ICE Pack 13)

### 6-speed transmission

All versions of the new Tourneo Courier now come with an easy-shifting 6-speed manual transmission for more relaxed and economical driving. The new transmission has a fully synchronised reverse gear to help make gear changes smoother and quieter than ever. (Standard)

## We chose Red Rush. What colour will you choose?

Tourneo Courier owes its durable exterior to a thorough multi-stage painting process. From the wax-injected steel body sections to the hard-wearing top coat, new materials and application processes will ensure your new Tourneo Courier retains its good looks for many years to come.

FORD TOURNEO COURIER Safety and driver assistance

Across the Ford Tourneo Courier range, a full line-up of safety, driver assistance and security features\* makes use of the latest technology to help protect you, your passengers and your belongings.

Driver assistance

- Electronic Stability Control (ESC)**  
Designed to help you maintain control in extreme driving conditions. It senses when you are deviating from your chosen line and aims to keep you on track by automatically regulating braking and engine output. (Standard)
- Hill Start Assist**  
Designed to temporarily prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears, so is ideal for towing. (Standard)
- Emergency Brake Assist**  
Designed to recognise an emergency braking situation and increase the pressure within the braking system to provide extra stopping power. (Standard)
- Emergency Brake Warning**  
Front and rear indicators automatically flash during heavy braking, giving other drivers advance hazard warning. (Standard)
- Traction Control**  
If wheel slip is detected at low speed, this system can distribute more torque to the wheel with most traction. (Standard)
- Roll Stability Control**  
Ford's unique roll-rate sensor helps the Roll Stability Control system to keep the tyres grounded under conditions of high centre of gravity and when driving through off-camber turns. (Standard)
- Trailer Sway Control**  
Designed to detect when trailer sway occurs and to help counteract it to bring the trailer under control. (Standard)

\*Some features are options at extra cost. See specifications for further details.

Powerful

**1.5L Duratorq TDCi diesel engine**  
The Duratorq TDCi 100 PS (75 kW) diesel engine develops 215 Nm of torque. This makes it the ideal choice for carrying heavy loads and towing, while delivering outstanding fuel efficiency (with test figures from 65.7mpg\* combined).

Tourneo Courier’s Duratorq TDCi diesel engine meets the latest Euro stage 6.2 emissions regulations without the need for additives. Building on the previous Euro 6 standards, the new regulations include a Real Driving Emissions (RDE) initiative, which involves testing vehicles on the road to provide results that more closely match real-life driving. These efforts will help to ensure further developments in vehicle emission control systems and improvements in air quality.

\*WLTP Calculated Drive Cycle test figures with Auto Start-Stop (option). See Fuel and Performance section for more information.

FORD TOURNEO COURIER Engines and performance

Fuel, performance and emissions

The test used to establish fuel consumption and CO<sub>2</sub> figures has changed to deliver results that are more representative of real life driving. The Worldwide Harmonised Light Vehicle Test Procedure (WLTP) has replaced the old NEDC test. The Fuel Consumption figures shown are derived from the new WLTP test. However, until 6th April 2020, the CO<sub>2</sub> figure shown will be the NEDC equivalent and this will be used to calculate Vehicle Excise Duty.

Understanding fuel data

The table shows the fuel consumption (WLTP) and CO<sub>2</sub> emissions (NEDC equivalent) for each available engine. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.

The figures shown are for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other vehicles tested to the same technical procedures.

\*\*The declared Fuel/Energy Consumptions, CO<sub>2</sub>-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP) have Fuel/Energy Consumptions and CO<sub>2</sub>-Emission information for both New European Drive Cycle (NEDC) and WLTP. WLTP is a new, more realistic test procedure for measuring fuel consumption and CO<sub>2</sub> emissions and will fully replace the NEDC latest by end of the year 2020. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO<sub>2</sub> emissions and electric range. CO<sub>2</sub> is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO<sub>2</sub> emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

\*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc, fitted. The performance and economy of all models will be reduced when used for towing.

**Illustrations, descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. Fitment of accessories may have an impact on your vehicle's fuel consumption. ♦The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

**The Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
